MATTHEW 2:11

The image of the Magi kneeling before the infant Jesus and opening their treasure chests for Him is an image that we should all try to follow all year long. In gratitude for all that we have been given, we are called to generously share all of our gifts, not just the ones we pick and choose. God wants us to be the most generous with that one thing that means the most to us.

THIS WEEK AT PRECIOUS BLOOD

Merry Christmas and Happy New Year!

CCD NEWS Classes resume Sunday January 8th; 9:45-11:00 a.m.

ESL/ST. IGNATIUS PRAYER GROUP/BIBLE STUDY meetings resume this week: Tuesday, Wednesday, Thursday at 9:30am.

A PILGRIM PEOPLE: THE STORY OF OUR CHURCH Our Pastor Fr. Kevin Walsh, Deacon Candidate Dr. Michael Watts, Steve Hemler, and Bob Wiersberg will be co-presenting an informative and interesting PowerPoint and video-based series on the remarkable story of the first 1,000 years of our Church on **Sundays** from **10:00-10:45 am** in the Parish Hall, **starting on Jan. 15**. All adults, especially parents of CCD students, are encouraged to join us and learn about the triumphs and tragedies of those Christians who have gone before us and upon whose shoulders our faith stands.

EUCCHARISTIC ADORATION Jesus waits for us in this Sacrament of Love: "In the sacred Host, He is present, the true treasure, always waiting for us. Only by adoring this Presence do we learn how to receive Him properly." Adorers are still needed between the hours of 4:00 and 8:00. Call Joanna **829-2235** if you have an hour a week to spend with Jesus. **Inclement weather:** **If schools are closed then there will be no Eucharistic adoration. *If there is a delayed opening for Culpeper County Schools then adoration will begin at 11:00 am. *If the schools close early due to inclement weather then adoration will end early at Father's discretion.*

MUSIC MINISTRY Did the wise men sing while traveling? "**We Three Kings**" and "**March of the Three Kings**" both have a walking tempo or "cadence". Throughout history, many peoples have used songs with rhythms or cadences that help them keep in step together or to keep up a certain pace. Singing together while walking or marching also helps keep up morale and pass the time on a long journey. "We Three Kings" or "The Quest of the Magi" was originally composed in 1857 by John Henry Hopkins, Jr., an Episcopalian rector, for use in a Christmas pageant.

CHILDREN'S CHOIR REHEARSALS RESUME NEXT SUNDAY(1/15) at 12:45-1:30 pm in CCD classroom #5. If you are a singer in grades 2-7 and want to share your musical gifts with our parish, please join us! Contact Mrs. Gina Rossetti at eprossetti@yahoo.com or 540-937-2320 for more information.

Parochial Vicar's Corner

Dear Parishioners,

I just want to thank all of you for the kind cards and gifts and prayers that you sent to me and Father Walsh during the Christmas season. We felt the love...you can be sure of that!! The various Masses and devotions we had created an atmosphere of serenity and contemplation of the great Mystery of God made man. I know that many of you felt as I did that our parish is blessed by God and will continue to be built up in the Holy Spirit in this New Year.

If you have any special intentions that you would like us to pray for, just drop us a note and we will be glad to include it in our daily recitation of Morning Prayer in the Liturgy of the Hours. In the meantime, from all of the office staff...have a Happy New Year!!

God bless you all...Father Mark

God bless,
Fr. Kevin Walsh

Explore the Catholic faith, sacramental preparation, Bible studies, and español materials. A suggestion for this week: One of the hottest topics in contemporary culture is happiness—so much so that the United Nations declared an "International Happiness Day" in response to the immense popularity of Pharrell Williams' song "Happy." The explanation for this current fixation seems to lie in the contrary phenomenon—unhappiness. Despite the fact that we have tremendous access to every imaginable form of entertainment, we experience a pervading sense of insecurity, emptiness, and malaise amid sporadic peak experiences. The problem seems to lie less in the external environment than in the internal one. We seem, in the words of Viktor Frankl, to be suffering from an absence of meaning that pervades both individuals and societies, giving rise to a collective emptiness, loneliness, and alienation.

Finding True Happiness attempts to provide a way out of this personal and cultural vacuum by helping people to identify and then reach for happiness. As Aristotle noted 2,400 years ago, happiness is the one thing we can choose for its own sake—everything else is chosen for the sake of happiness. *Finding True Happiness* is both a philosophical itinerary and a practical guidebook for life's most important journey—from the mundane and the meaningless to transcendent fulfillment. No other book currently available combines such breadth of practical advice and such depth of philosophical, psychological, and spiritual wisdom.
